DNA and parental verification: Please note that DNA profiling and parental verification is NOT COMPLUSORY for females offered at the 2021 National Female Sale however, vendors are strongly encouraged by the committee to consider DNA testing. If a vendor elects to undertake testing, and would like the test results to appear in the sale catalogue, those results MUST BE SUBMITTED to the Society office with or prior to nominations on 7 January 2021. Samples MUST BE RECEIVED by Zoetis or Neogen, no later than 30 October 2020 to guarantee results are provided before the close of nominations.
