

The background of the entire image is a photograph of a rural landscape at sunset or sunrise. The sun is a bright, glowing orb on the left side of the horizon, casting a warm, golden light across the sky and the field. The sky is filled with soft, wispy clouds that catch the low light. In the foreground, a dark, silhouetted field of tall grass or crops stretches across the bottom. Along the horizon line, several cows are silhouetted against the bright sky, some standing and some grazing. The overall mood is serene and evocative of a quiet moment in a rural setting.

A black and white photograph of two cows grazing in a field. The cows are dark-colored, and the background is a bright, hazy sky. The text "SOUTHERN ZONE" is overlaid in the center in a bold, white, sans-serif font. The cow on the right has some faint markings on its side, including the number "3".
