

Roma Droughtmaster Bull Sale Allocation System

(April 2024)

Vendors shall only be able to nominate as per their vendor allocation. Further Steps in the Allocation System will only be implemented if the "Preferred Number Nominations" are exceeded.

To sensibly manage the growth of the sale and improve the quality of bulls on offer, the Board of Directors implemented an Allocation System in 2010, which has been modified in later years to ensure no vendor is disadvantaged.

If the number nominations exceed the Preferred Number Nominations as determined by the Board, then reductions will be implemented using the following procedure, or the Board may, if it is deemed appropriate choose to allow Number Nominations to exceed the Preferred Number Nominations

1. Sale Cap - 160
2. No vendor exceeds 14 head. Vendors Allocation will be based on their years sold as outlined below:-
 - Junior Members under 18 selling with their parents will be allocated 1 bull, 18 - 25 years will be allowed 2 bulls as they are considered adults. Upon their membership to a full Stud Member, they will be deemed a 'new vendor' and will be allocated two bulls for their initial year of selling.
 - New Vendor - 2 bulls.
 - Second Year Vendor - 3 bulls.
 - Third Year Vendor - 4 bulls.
 - Fourth Year Vendor - 5 bulls.
 - Fifth Year and above become a Supporting Vendor - 14 bulls.
3. If Cap is breached, first call for voluntary withdrawals - with full refund.
4. If cap is still breached the Committee in consultation with the Board of Directors will implement a fair reduction system which will be considered dependent on the number in which the sale cap has been breached.
5. If a vendor withdraws their whole draft between Number Nominations and Pedigree Nominations or between Cataloguing and Sale Day, they forfeit the offer of extra bulls the following year as they will not be deemed a vendor for that year. If a vendor withdraws under these conditions two years in a row they will revert back to new vendor status.
6. Vendors who do not sell for 3 consecutive years will be regarded as a new vendor and revert back to an allocation of 2 bulls.
7. The Board of Directors reserves the right to make further adjustments if it is deemed necessary.
